

## Affordable Care Act Rulemaking Tracker

Navigating the 961 pages that make up the **Patient Protection and Affordable Care Act** as amended by the **Health Care and Education Reconciliation Act of 2010**? You need lots of time and patience.

Trying to keep pace with federal agencies' implementation of these Acts? For those who need to keep up with the torrent of rulemaking generated by the passage of the **Affordable Care Act**, the Lexis® Securities Mosaic® service offers the most comprehensive such tool available.

### This flexible tool gives you the power to:

- Find **rulemaking by corresponding reference** within the Affordable Care Act itself (Title, and Section if applicable).
- Further specify by **action type** (final rule, proposed rule, study, etc.), **agency**, or **topic** (current list below).
- Limit by **date** or **date range** for the following:
  - Release date
  - Comment period end date
  - Effective date
  - Compliance date

From the **Tracker** page, you can click into the **text of the rulemaking release**, as well as related public comments. You can also link directly to **corresponding reference within the Affordable Care Act itself**. Or set up a **daily rulemaking email alert**, with optional **filtering by agency**, as well as by any of the **topics** on the right.
