## Dodd-Frank Rulemaking Tracker

Slogging through the 900 pages that make up the Dodd-Frank Act? You need lots of time and patience. Trying to keep pace with federal agencies' implementation of that Act?

For those who need to keep up with the torrent of rulemaking generated by the passage of the **Dodd-Frank Act**, the Lexis Securities Mosaic service offers the most comprehensive such tool available. And it's included as part of your Lexis Securities Mosaic license.

### This flexible tool gives you the power to:

- Find **rulemaking by corresponding reference** within the Dodd-Frank Act itself (Title, and Section if applicable).
- Further specify by **action type** (final rule, proposed rule, study, etc.), **agency**, or **topic** (current list below).
- Limit by **date** or **date range** for the following:
  - Release date
  - Comment period end date
  - Effective date
  - Compliance date

From our **Tracker** page, you can click into the **text of the rulemaking release**, as well as related **public comments**. You can also link directly to **corresponding reference within the Dodd-Frank Act itself**. Or set up a daily rulemaking email alert, with optional **filtering by agency**, as well as by any of the **topics** on the right.
